You may use the next page to send to the person who is moving seeking a reimbursement to provide guidance for a moving reimbursement. You will need to attach the Moving Authorization form and Log to the email. Forms can be found on the Controller’s Site.

The last two pages are for you to use when processing the documentation and reimbursement forms.
Welcome to Appalachian State University and the Boone, NC Community! We are happy to provide you a reimbursement to help with your moving expenses. There are limitations on what expenses can be reimbursed. For guidance, please see the instructions and checklists below. All forms and updated moving policies and procedures can be found on the Office of the Controller’s website at controller.appstate.edu.

Candidate Steps for Moving Authorization:

1. The Moving and Relocation Authorization form must be completed prior to the move.
   1.1. As defined by OSBM, the move must be completed within 2 days and in 1 trip.
2. Include 3 bids from professional moving companies. Bids should include shipment weight, number of cartons, charges for loading and unloading, and cost of transit insurance. If you are self moving, submit 1 professional moving bid as a cost comparison. Include estimates for truck rental, packing supplies, mileage, etc. for self-moving costs.
3. If you request airfare, please include this amount in either or both the “House hunting expenses (limitations apply)” or “Moving day travel and subsistence (limited to 2 days)” lines on the Moving Authorization depending on which (or both) you choose to use.
4. Send the bid information with the authorization to your Departmental Administrator.
   4.1. Tell the departmental administrator which bid you prefer. If your preferred company is not the least expensive, please give clear justification.
5. Once the Moving Authorization is complete, you will receive approval from the Department Admin via email. When you receive the email, you may begin your move.
6. Keep all receipts, which should show a zero balance where applicable. If you are claiming hotel lodging, include a zero balance folio and method of payment. If you pay with a check, please provide proof it was received and deposited by the company. If any receipts are missing or not complete, the Missing/Incomplete Receipt Affidavit form will need to be completed and included in the request (you will work with the department admin for guidance).
7. As a reminder, supplemental insurance is not reimbursed on rental vehicles. preferred seating or advanced seating on flights is not reimbursable, unless no other seating option is available. You must show a screenshot of the booked seating chart as justification.
8. Once the move is complete, submit a completed Moving and Relocation Expense Log, attach all receipts, and submit to your Departmental Admin via email.
   8.1. If any receipts are missing or not complete, the Missing/Incomplete Receipt Affidavit form will need to be completed and included in the request.
9. Please be patient once you have submitted your request. It can take one month or more for reimbursements to be approved and processed.
10. Your reimbursement will be processed through Payroll. You will receive your reimbursement in your monthly paycheck, and if the reimbursement does not get paid out in the current payroll cycle, it will be paid out in next month’s check.
11. You may be asked to provide clarification or additional receipts if there are questions. This can potentially delay the reimbursement process.
12. Important: Please note that per Federal Law, Moving Expenses are taxable as a lump sum payment.
13. Important: The University cannot pay Moving Expenses on your behalf, we can only reimburse.
Departmental Admin Moving Authorization Checklist:

- All moving reimbursement and allowance amounts must be included in the contract.
- If using State funds, you must have the moving authorization from fully approved prior to the move.
- Moving Authorization is located on the Controller’s website. You will have to sign in to see these forms. ([https://controller.appstate.edu/forms/all-forms](https://controller.appstate.edu/forms/all-forms))
- The form is fully completed and the email address for the requestor is included in the Requester Information section.

- One-time appliance connection fees are acceptable with required proof of payment. Appliance Connection Costs do not include deposits.
- Meals: Per Diem has been calculated based on in-state and out-of-state rates dependent on where the expense occurred for breakfast, lunch, and dinner.
  
  Example: For most two day moves/house-hunting, for two people, these rates are:  
  
  2 people at 1 night out-state and 1 night in-state = (39.4x2)+(42.1x2) = 78.8+84.2 = $163
- As of July 1, 2022, mileage is calculated at .22 cents per mile and the request is substantiated by a Google Map or Mapquest PDF printout.
- All potential allowable expenses have been listed on the Moving Authorization.
- The requestor/mover has signed the authorization (electronic signatures are acceptable, please attach an email from the candidate verifying their request).
- **Very Important:** All commitments and fund numbers have been listed on the Moving Authorization prior to final approval by the Provost. These approved commitments will need to be equal to or less than the final reimbursement total. Please include any Dean’s Office commitments and fund numbers.
- **Very Important:** Departments need to check the preferred moving bid. The lowest bid should always be selected unless there is clear justification given for a higher bid.

Once the pre-approval form has been completed and approved by the department Chair, send it to the Dean’s Office via email for approval. The Dean’s Office will approve and email it to Academic Affairs (Sandi Jones jonesso) for final approval by the Provost.

When the authorization is approved, you will receive an email with the approved Moving Authorization form. Please keep this form in its entirety for reimbursement purposes.

Please review the [Accounting Manual](#) (Moving Expenses section) for details and requirements for allowable moving expenses.
